

Definitions / Instructions:

- “Full-time clinical Experience” = Clinical experiences that occur with a minimum of 35 hours/week for PT programs and include the minimum total hour requirements for PTA programs
- “Part-time clinical experience” = Clinical experiences that are less than 35 hours/wk for PT programs and often as integrated clinical experiences (ICE) (This applies to PT programs only)
- “Confirmed for placement” = the site for the placement has the name of the student on record
- “Tentative” placement = possible cancellation pending based on covid-19 restrictions
- If a clinical experience crosses over 2 timeframes, please answer based on where the start date of that experience falls

1. Which of the following describes your program?

- DPT Program
- PTA Program

2. Which Florida district where your program is located (select 1)?

- East Central
- Northern
- Northwest
- Southeast
- Southwest
- West Central

3. How many total students are in the Graduating Class of 2021 in your program?

- (open response)

4. How many total students are in the Graduating Class of 2022 in your program?

- (open response)

5. How many students are expected to do a full-time clinical experience during **Fall 2020 (August-December) from the Class of 2021?**

- (Open Response)
- N/A – Skip to #8

6. What percentage of students are currently confirmed for placement for **full-time** clinical experiences for **Fall 2020** (August -December) from the Class of 2021?

- <20%
- 21-40%
- 41-60%
- 61-80%
- 81-100%

7. **Of the confirmed full-time placements**, what percentage are considered “tentative” due to possible Covid-19 restrictions during **Fall 2020** for the Class of 2021?

- <20%
- 21-40%
- 41-60%
- 61-80%
- 81-100%

8. How many students are expected to do a **part-time** clinical experience in the clinical setting during **Fall 2020** (August-December) from the Class of 2021?

- (Open Response)
- N/A – skip to #11

9. What percentage of students are currently confirmed for placement for **part-time** clinical experiences for **Fall 2020** (August -December) from the Class of 2021?

- <20%
- 21-40%
- 41-60%
- 61-80%
- 81-100%

10. **Of the confirmed part-time placements**, what percentage are considered “tentative” due to possible Covid-19 restrictions during **Fall 2020** for the Class of 2021?

- <20%
- 21-40%
- 41-60%

- 61-80%
 - 81-100%
-

11.How many students are expected to do a **full-time** clinical experience during **Fall 2020** (August-December) from the Class of 2022?

- (Open Response)
- N/A – Skip to #14

12.What percentage of students are currently confirmed for placement for **full-time** clinical experiences for **Fall 2020** (August -December) from the Class of 2022?

- <20%
- 21-40%
- 41-60%
- 61-80%
- 81-100%

13.**Of the confirmed full-time placements**, what percentage are considered “tentative” due to possible Covid-19 restrictions during **Fall 2020** for the Class of 2022?

- <20%
 - 21-40%
 - 41-60%
 - 61-80%
 - 81-100%
-

14.How many students are expected to do a **part-time** clinical experience in the clinical setting during **Fall 2020** (August-December) from the Class of 2022?

- (Open Response)
- N/A – skip to #17

15.What percentage of students are currently confirmed for placement for **part-time** clinical experiences for **Fall 2020** (August -December) from the Class of 2022?

- <20%
- 21-40%
- 41-60%

- 61-80%
- 81-100%

16. Of the confirmed part-time placements, what percentage are considered “tentative” due to possible Covid-19 restrictions during **Fall 2020** for the Class of 2022?

- <20%
 - 21-40%
 - 41-60%
 - 61-80%
 - 81-100%
-

17. How many students are expected to do a **full-time** clinical experience during **Spring/Winter 2021** (Jan - Apr) from the Class of 2021?

- (Open Response)
- N/A – Skip to #20

18. What percentage of students are currently confirmed for placement for **full-time** clinical experiences for **Spring/Winter 2021** (Jan - Apr) from the Class of 2021?

- <20%
- 21-40%
- 41-60%
- 61-80%
- 81-100%

19. Of the confirmed full-time placements, what percentage are considered “tentative” due to possible Covid-19 restrictions during **Spring/Winter 2021** for the Class of 2021?

- <20%
 - 21-40%
 - 41-60%
 - 61-80%
 - 81-100%
-

20. How many students are expected to do a **part-time** clinical experience in the clinical setting during **Spring/Winter 2021** (Jan - Apr) from the Class of 2021?

- (Open Response)
- N/A – skip to #23

21. What percentage of students are currently confirmed for placement for **part-time** clinical experiences for **Spring/Winter 2021** (Jan - Apr) from the Class of 2021?

- <20%
- 21-40%
- 41-60%

42. For the Class of 2021, has your program modified the clinical education requirements because of COVID-19?

NO___ - Skip to #44

YES___

43. What modifications are being made? Select all that apply (allow multiple selections)

___Length of the clinical experiences?
___Total number of clinicals experiences?
___The requirements for clinical experience setting?
___The time frame in the curriculum for the clinical experiences?
___N/A
___Other: (Free Text)

44. For the Class of 2022, has your program modified the clinical education requirements because of COVID-19?

NO___ - Skip to #46

YES___

45. What modifications are being made? Select all that apply (allow multiple selections)

___Length of the clinical experiences?
___Total number of clinicals experiences?
___The requirements for clinical experience setting?
___The time frame in the curriculum for the clinical experiences?

☐ N/A

☐ Other: (Free Text)

46. As the DCE or ACCE, what factor(s) do you perceive as limiting the ability to place your students? (Select all that apply)

- ☐ PPE availability at the site
- ☐ Staffing cuts at the clinical sites
- ☐ Staffing reluctance due to increased potential exposure by a student
- ☐ Reduction/change in patient volume
- ☐ Social distancing guidelines limited capacity in the clinic allowed
- ☐ Administrative restrictions at the clinical site
- ☐ Patient population affected by COVID-19
- ☐ Increased liability due to student exposure to COVID-19
- ☐ Other (Free text)

47. Based on your BEST recollection, approximately what percentage of all students needing clinical experiences were usually confirmed for placement 30 days prior to the start date PRIOR TO 2020?

- (Open Response)

48. Please rate each of the following issues in terms of the degree of challenge you are currently experiencing in clinical education:

- Full-time clinical placement availability:
 - ☐ Not Challenging
 - ☐ Somewhat Challenging
 - ☐ Challenging
 - ☐ Very Challenging
- Part-time clinical placement availability:
 - ☐ Not Challenging
 - ☐ Somewhat Challenging
 - ☐ Challenging
 - ☐ Very Challenging
- Finding the variety of settings to fulfill CAPTE requirements for full-time experiences
 - ☐ Not Challenging
 - ☐ Somewhat Challenging
 - ☐ Challenging
 - ☐ Very Challenging

- Finding out-of-state placements
☐ Not Challenging
☐ Somewhat Challenging
☐ Challenging
☐ Very Challenging
- Student completion of all didactic requirements (including lab skills) prior to clinical experiences
☐ Not Challenging
☐ Somewhat Challenging
☐ Challenging
☐ Very Challenging

49. Please rate each of the following concerns regarding clinical education modifications because of COVID-19?

- Graduating students without enough variety in the type of clinical setting
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned
- Providing the breadth of experiences related to the lifespan
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned
- Potential delays in graduation related to inability to meet clinical experience requirements
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned
- Student competence in clinical skills
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned

- Students competence in their own clinical skills
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned
- Difficulty finding employment as a physical therapist
☐ Not concerned
☐ Somewhat concerned
☐ Concerned
☐ Very concerned

50. On a scale of 0-4, 0 being not helpful and 4 being very helpful, please rate how each of the following might positively address your clinical education needs and concerns related to COVID-19.

- Increased availability of clinical slots
0 1 2 3 4
- Increased sites available in the inpatient setting
0 1 2 3 4
- Decreased restrictions regarding student participation at clinical sites
0 1 2 3 4
- Site willingness to use collaborative models of clinical education
0 1 2 3 4
- Additional university support (need to specify what type of support)
0 1 2 3 4
Comment Box
- Increased flexibility in CAPTE guidelines on full-time clinical experiences
0 1 2 3 4
- Other
